PRODUCT ADVANTAGES

- One-piece "customized" finished roof
- No weak spots
- Goes over existing roof with minimum tear-off
- Accommodates thermal expansion and contraction
- Keeps your building cooler
- Continuous insulated surface reduces energy consumption
- Systems can be renewed, not replaced
- Proven performance for over 30 years
- Performs in adverse weather conditions
- Low odor, meets environmental requirements

NEOGARD® IS A DIVISION OF JONES-BLAIR® COMPANY

For over 80 years JONES-BLAIR® has produced high performance coating systems to solve problems. These solutions come from our ability to understand and respond to our customer's needs, and are made possible by our world class lab and manufacturing facilities.

NEOGARD® products protect many of the world's most prestigious structures.
